## Turn on an ad privacy feature

We're launching new privacy features that give you more choice over the ads that you see.

Ad topics help sites show you relevant ads while protecting your browsing history and identity. Chrome can note topics of interest based on your recent browsing history. Later, a site that you visit can ask Chrome for relevant topics to personalise the ads that you see.

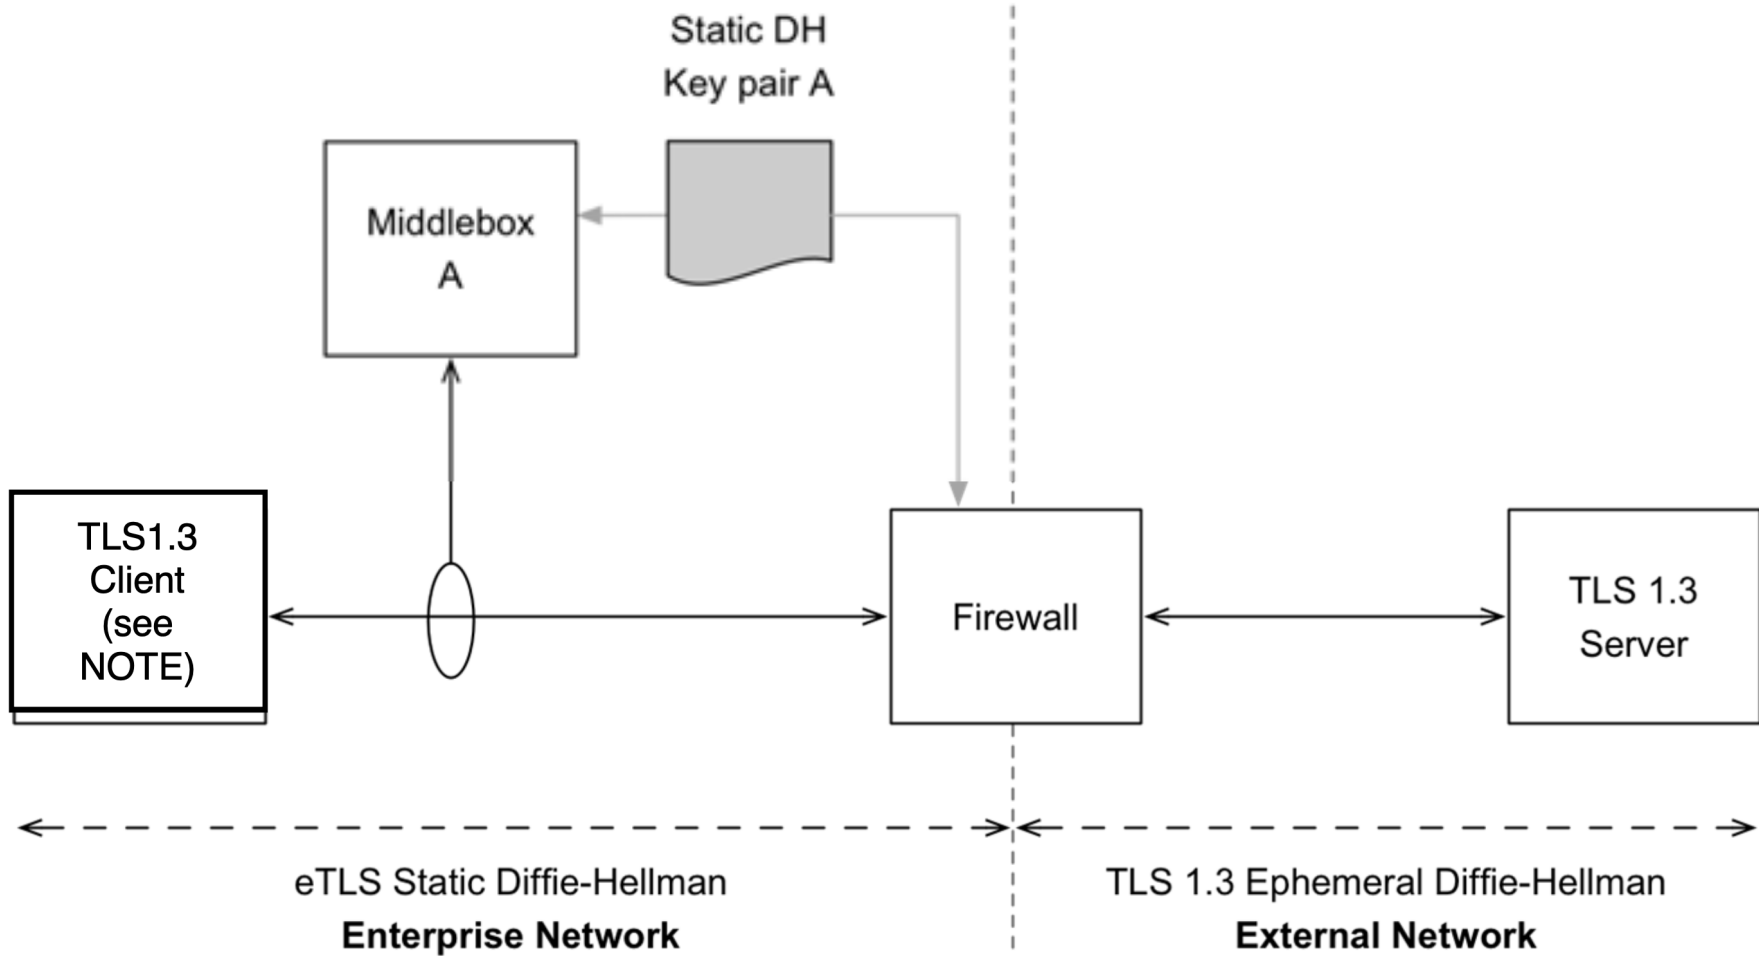

## Re: [TLS] Industry Concerns about TLS 1.3

"Paterson, Kenny" <Kenny.Paterson@rhul.ac.uk> Thu, 22 September 2016

Hi Andrew,

My view concerning your request: no.

Rationale: We're trying to build a more secure internet.
